

Wilshire Blvd Temple Camps Facility Description
Gindling Hilltop Camp

Gindling Hilltop Camp is accessed from Gate #4 on Yerba Buena Road. GHC provides panoramic views of the coast and an intimate camping environment. The narrow road to the camp is fully paved and is about a 15 minute drive from the turn off at Gate #4 and Yerba Buena Road. The total capacity is 170 people

Outdoor Chapel: A spectacular outdoor facility overlooking the Pacific Ocean. Seating for 170 people and about a five-minute walk from the main program area.

Recreation Room: A 20’ x 25’ general-purpose room located behind the swimming pool.

Dining Hall: A beautiful 30’ x 40’ room shaped like a third of a pie with a fireplace at the top and windows along the back. Generally used for dining and equipped with a built-in microphone system.

Pavilion: A 25’ x 30’ all-purpose room connected to the dining hall. A small stage, pull down movie screen, built-in microphone system and a piano are located here.

Amphitheater: A 200 person outdoor theater located directly behind the Dining Hall with a small 15’ x 10’ stage in the front.

Lodge: A small meeting area located in the rooms of the 30’s, seating for about 20 people. Great for breakout groups or after hours group leader meetings.

Arts & Crafts Area: A small outdoor area for doing art projects. It includes six long tables with seating for about 30 people. Includes two large cold water sink.

Fire Pit: A nice campfire area that is located behind cabins 1 and 2. It has an awesome view overlooking the ocean. Also contains a small stage area for talent shows and such. There is electricity and light if needed.

Internet and Cell Phone Service: For your convenience there is wireless High Speed Internet, around the Office, Dining Hall Area, and most of camp. For the Wi-Fi password, please see John Bard. There is cell phone service for all major carriers.

Office Supplies & Equipment:

- Television and VCR/DVD player

Recreation & Programming Areas:

Fulcrum Ropes Course:

Both camps have state of the art Ropes Courses including high and low elements. Whether used for fun, recreational activities or specific team building goals, our Ropes course provides a unique programmatic venue. Hilltop has a Giant Swing (swings over the cliff overlooking the ocean), and a zip line, as well as the other elements. Our Ropes Course was designed and built by Project Adventure, the international leader in challenge course design and technology.

Should you wish to utilize the Ropes Course for your group, we require that you contract through Fulcrum Learning Systems, our exclusive provider of Ropes Course facilitation. You can reach Fulcrum Learning Systems at (310) 452-7992, as you talk to Fulcrum separately to book the Ropes Course.

Other Recreational Areas:

- A small athletic field for soccer
- Two basketballs courts
- Gaga pit
- Volleyball court
- Hiking trail: Travels down the fire trail to Camp Hess Kramer, and back up via the inter-camp road
